

Quick facts from your Middle School Nurse

1. **Your school nurse is Gwen Lemire and she can be reached at 978-887-2323 EXT. 6125**
2. Please forward completed health forms to your school nurse. State regulations require current student records certifying all immunizations are up to date.
3. Emergency cards brought home from school are critical to the nurse! Please fill them out to:
 - a. Indicate which "over the counter" medications you will allow the school nurse to administer to your student should there be a need during school hours.
 - b. Indicate your emergency contact (friend, neighbor, local relative) should your

child become ill and you are unreachable.

4. **Parents of children requiring EPI Pens and/or inhalers;**
 - a. The nurse recommends your child **carry their EPI Pens/Inhalers with them at all times.** A backup set of meds should be kept by the school nurse.
5. **If your child requires daily medications with doses taken during school hours,** please call the nurse to arrange completion of two parental consent forms required to be on record.
